Discussions:

The commissioners reviewed the poll workers for the August 2, 2012 election. Commissioner Rackley discussed a telephone conversation with Chris Morris. Mr. Morris is concerned there are not enough Republican workers to accurately reflect the required Republican/Democrat ratio. After careful review of the list, it was suggested we make every attempt to have an equal representation. The commissioner felt it was as accurate as it could possibly be. Poll Workers are extremely hard to recruit. On a motion by Rackley, seconded by Mitchell, the commission voted unanimously to approve the list provided by Administrator Bassham.

New registrations were reviewed and approved.

There was a brief discussion on the Election Seminar held the first week of June.
